The 2017 Daily Bible Reading Guide is the 32nd consecutive one prepared by the Rev. Dr. K. L. Peterson. It is based on texts used in the Revised Common Lectionary and other lectionaries also used by Anglicans, Lutherans, and Roman Catholics. Those dates marked with a star (★) are commonly observed as festival days in some churches. Versification is based on the Good News Bible.

If the Guide is used every day during 2017, 48 books of the Bible will be utilized and 11 will be read in their entirety. In the two years, 2016-2017, 26 will have been read in their entirety and at least a portion of 60 of the books in the Bible will have been read. In 2017, 41 of the Psalms will have been read, including all of Psalm 119.

Please note that every Sunday appears in green.
