The 2022 Daily Bible Reading Guide is the 37th consecutive one prepared by the Rev. Dr. K. L. Peterson. It is based on texts used in the Revised Common Lectionary and other lectionaries also used by Anglicans, Lutherans, and Roman Catholics. Those dates marked with a star (★) are commonly observed as festival days in some churches. The cross (✕) indicates an optional reading from a Deuterocanonical Book (the Apocrypha).

DAILY BIBLE READING GUIDE 2022

Versification is based on the 2nd Edition of the Good News Bible. If the Guide is used every day during 2022, 47 books of the Bible will be utilized and 9 will be read in their entirety.

The 2022 Daily Bible Reading Guide is the 37th consecutive one prepared by the Rev. Dr. K. L. Peterson. It is based on texts used in the Revised Common Lectionary and other lectionaries also used by Anglicans, Lutherans, and Roman Catholics. Those dates marked with a star (★) are commonly observed as festival days in some churches. The cross (✕) indicates an optional reading from a Deuterocanonical Book (the Apocrypha).

Versification is based on the 2nd Edition of the Good News Bible. If the Guide is used every day during 2022, 47 books of the Bible will be utilized and 9 will be read in their entirety.
