The 2026 Daily Bible Reading Guide is based on texts used in the Revised Common Lectionary and other lectionaries also used by Anglicans and Roman Catholics. The readings include the Gospel of Matthew, 45 Psalms and several other books in their entirety. Those dates marked with a star (★) are commonly observed as festival days in some churches. The cross (⌘) indicates an optional reading from a Deuterocanonical Book (the Apocrypha).
